Dear Bob & Bob,

I would like to express my appreciation to you for coordinating our recent Stewardship Appeal. Not only did your letter writing campaign successfully increase the weekly tithe of many of our parishioners, but also, it enabled me to reach many of our parishioners who otherwise would not have volunteered for many of our ministries.

I realize that our parish was a challenge since we are a total stewardship parish and I appreciate your suggestions for getting many of our members to officially register. Even during these difficult economic times, our parishioners were well receptive of the letter writing campaign.

I thank you for the ministry you have adopted and I pray for your continued success in helping other parishes reach their goals.

Yours in Christ,

Rev Aidan Lacy
