Dear Bob and Bob,

When I first came to Our Lady of the Lakes a few years ago, you were one of the first people I contacted so that you could coordinate our Stewardship Appeal. Three years have passed since that time and I needed you once again.

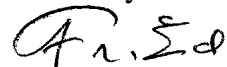

Your ability to tailor your program to meet my very specific requirements is appreciated. Being able to place my words on their kitchen tables in both English and Spanish was very important to me.

Though you are not right around the corner, any time that I needed to confer with you, you were available. Of course, seeing your smiling faces on a regular basis always brightened my day.

My people were already generous but through your program, I was able to gently invite them to reconsider their roles as stewards.

I pray that God will keep you in His love as you continue in your ministry. May Our Lady protect you and your loved ones always.

Sincerely in Christ,

Rev. Edward J. McCarthy
Pastor
