Bob ---

I can not thank you enough for your personal attention to all of the details for our Stewardship Appeal. With a limited staff, I knew that I had to outsource this important project. This ministry you have adopted and your many years of experience enabled me to place my trust in you. You exhibited a high level of competence and professionalism. Anytime I needed to talk to you, you were readily available.

Hearing from half of my parish through your series of letters was a pleasant surprise. They were already a generous community but through your gentle process, they responded so very well. Many of my parishioners expressed their appreciation at receiving a prompt "Thank You" letter acknowledging their response.

I was also very pleased with the results from implementing your recommendation to get more of my people to register. I will be better able to serve their spiritual needs now that they are part of our community.

Please relay my appreciation to the people on your staff for a job well done. You are all in my prayers.

Gratefully yours in Christ

Rev. John A. Kasperek
Pastor / Rector
