Dear Bob,

I am happy to tell you that in recent months we have been reaching our Offertory goal of \$38,600.00 per week. This is really good news for us.

For the last couple of years our Offertory was not keeping up with our operating expenses and I did not know what to do. I discussed it with the members of the Finance Council and someone suggested a letter campaign to increase the Offertory. I have to tell you that at the beginning I was not thrilled with the idea, after talking with you, I felt better about it.

Your guidance helped us to co-ordinate Holy Trinity's Stewardship Drive with the Archdiocesan Appeal. The letters that you wrote informed the parishioners about our plans for the parish, and our call to be good stewards of God's blessings. Also, all the work that you did made it easier for our staff to focus on the day to day operations of the parish.

As we approach the end of the fiscal year, June 30, 2007, I believe that we will end up with a healthy surplus which will go towards the up-keep and maintenance of the parish buildings.

I want to thank you again for the guidance and support that we received from your company. It really helped our Stewardship Drive.

Yours in Christ,
