Dear Bob,

I want to thank you for your recommendations and all the effort you put into conducting our stewardship campaign. I was very comfortable with your Draft Approval process and felt I was well in control of materials that were being generated to be mailed to our parishioners. The quality and content of the letters, educational brochures and other materials was everything I expected.

We were all very happy that your process required very minimal involvement from our staff.

Your campaign doubled our investment and brought many more parishioners into our electronic giving program. We also were able to update our census data with information we had not been made aware of.

Please feel free to present this letter as my personal reference. Best wishes for continued success in your services to catholic churches.

Peace in Christ,

Paula C. Neary,
Office Manager
